Oleksii Zaviriukha

Full-Stack Developer | AI Integration & Automation

✉ sweetdream20021216@gmail.com   📞 +380 98 086 6516   📍 Zaporozhye, Ukraine

SUMMARY

Senior Full-Stack Developer with 7+ years of experience delivering scalable web and mobile applications. Skilled in end-to-end development — from modern front-end interfaces to secure back-end systems, cloud infrastructure, and API integrations. Specialized in AI integration and workflow automation, building dashboards, SaaS platforms, CRMs, e-commerce systems, and custom APIs. Passionate about solving real-world problems and partnering with clients to create innovative, long-lasting solutions.

EXPERIENCE

AI-Powered Solutions, *Temy*   07/2019 – 08/2022
L'viv, Ukraine

- Designing and integrating intelligent features such as chatbots, recommendation engines, and workflow automations.
- Leveraging machine learning and natural language processing to enhance user experience and business efficiency.
- Building scalable APIs and services that combine AI with modern web technologies.
- Collaborating with clients to identify opportunities where AI can solve real-world problems and deliver measurable value.

Full Stack Developer, *Goodface agency*   05/2016 – 04/2019
Kyiv, Ukraine

- Developing and maintaining web applications using React.js and other related technologies.
- Collaborating with cross-functional teams including designers, product managers, and other developers to create high-quality products.
- Implementing responsive design and ensuring cross-browser compatibility.
- Participating in code reviews and providing constructive feedback to other developers.

EDUCATION
